Re: Crown Sterling Limited LLC v. UBM LLC a/k/a Black Hat USA and Does 1-10
19-CV-7900 (DAB)

Dear Hon. Judge Batts:

I am counsel of record for Plaintiff Crown Sterling Limited LLC ("Crown Sterling") in the above-referenced action. I write for Defendant UBM LLC ("UBM") to request on its behalf an additional thirty (30) day extension of time to answer, move or otherwise respond to the Complaint, to and including February 19, 2020.

As the Court granted UBM's first such request for extension of its original Answer deadline of December 5, 2019, UBM's Answer currently is due on January 20, 2020 (see Docket No. 8, entered December 3, 2019). This is UBM's second such request for extension of time. The parties continue to discuss in good faith and progress toward amicable resolution of the matter, which they anticipate will obviate the need for the instant action. The extension is not sought to unduly delay proceedings. Crown Sterling consents to UBM's request for this extension of time.

Respectfully submitted,
